

Manuscript Submission Form to Molecules and Cells (Mol. Cells)

- **Title:**

- **Authors:**

- **Affiliations:**

- **Corresponding author(s):**

- E-mail:

- **Type of submission:** **Research Article** **Fast-Track Article** **Minireview**

Minireviews are invited by the editors, not solicited, and are not subject to editorial review. Anyone, wishing to submit minireviews, should provide a potential title and subject of the review article to the editor to seek permission.

The Fast-Track article is for papers of high quality and urgency. Papers which received 'acceptance after revision' or those which were finally declined after revision from journals that rank within top 20% in a Journal Citation Reports category are eligible for consideration.

- **Check List**

- This is original research and has not been submitted to elsewhere.
- 12-point sans-serif font (e.g., Helvetica and Arial) is used in the main text.
- Figures are uploaded in separated files.
- References are in an alphabetical order. Details
- Figures are separated from figure legends.
- Grayscale and color artwork as well as line art should have a minimum resolution of 300 dpi.
